

51 Dump Cake Recipes: Scrumptious Dump Cake Desserts To Satisfy Your Sweet Tooth

Delicious Dump Cake Recipes Baking Made Easy Baking doesn't have to be difficult or intimidating. You can make a delicious cake in just a few steps, with just a few ingredients by using a dump cake recipe. Dump cakes make less mess than traditional cakes and offer unusual and decadent choices that will wow those fortunate enough to have a bite. You'll find yourself trying incredible new combinations like salted caramel chocolate and cherry pineapple, as well as old favorites like Black Forest and chocolate chip. All of these recipes are based around cake mixes, which allows you to tailor each recipe to your own taste by using whatever brand of mix you prefer be it organic or low sugar varieties. Most recipes also offer you the ability to make other changes easily to suit your own personal tastes, creating cakes that are distinctly your own.

Dump cake recipes can be used for all sorts of occasions. When you find yourself short of time and fancy ingredients, you can always throw together a dump cake for dessert. No one will know that you baked such a fabulous cake in the spur of the moment. You can even let the kids help out. Most of the recipes do not require mixing of ingredients in a separate bowl - they're both mixed and baked in the same dish! Mixing to baking to serving can often be done without dirtying up any extra dishes. The people who eat your cakes won't believe that you made these yourself, and you won't believe how easy it was for you to pull them together!
