

## McCrackens Removable Partial Prosthodontics, 10th Edition

Featuring both clinical and laboratory aspects of providing removable partial dentures to manage the condition of missing teeth, MCCRACKENS REMOVABLE PARTIAL PROSTHODONTICS has been a standard text in dental schools for close to 30 years. This evidence-based text provides the necessary information to diagnose, design, develop, and sequence a treatment plan. Thoroughly revised and updated, content extends from initial contact with the patient to post-placement care.
