

A Book of Migrations

In this acclaimed exploration of the culture of others, Rebecca Solnit travels through Ireland, the land of her long-forgotten maternal ancestors. *A Book of Migrations* portrays in microcosm a history made of great human tides of invasion, colonization, emigration, nomadism and tourism. Enriched by cross-cultural comparisons with the history of the American West, *A Book of Migrations* carves a new route through Ireland's history, literature and landscape.
