Davy Crockett was born on August 17, 1786 in a backwoods cabin in eastern Tennessee. At age twelve, David learned how to shoot a rifle. When he grew up, he won most of the shooting matches he entered and became a well-known storyteller. No matter where he lived, he was popular. He was elected to three terms in the House of Representatives. After being defeated in the congressional election of 1835, he was ready for new adventure. He rode to Texas, where he fought and died in the Battle of the Alamo.
