

## A New Opportunity for Additional Revenue - How to Leverage Your Medical Transportation Company to Make Even More Money in a Booming Niche Market!

Despite a floundering economy, the medical industry is continue to grow at record pace, consuming 20% of the US GDP. Further, the elderly population is literally booming! These two key variables are leading to a growth in assisted and non-medical transportation needs. In this resource, Joel Davis, discusses one of many strategies that you can use to leverage your Non-Emergency Medical Transportation business to increase profits and further maximize your market opportunities. Joel Davis, Founder of the United Medical Transportation Providers Group and author of the best-selling ebook, *How to Build a Million Dollar Medical Transportation Company*, continues to work with NEMT providers from around the country to further build and promote their businesses and to enhance the NEMT industry. In *A New Opportunity for Additional Revenue* you will discover how Joel personally leveraged his own NEMT service to increase profits, expand his service area, and keep his vehicles moving versus sitting idle. Idle vehicles cost you money. But vehicles that are in motion, transporting people and cargo, are generating money. Study this resource and learn how to increase your profitability with creative ideas and strategies.
