

Ready to Use: Shareholders Agreement for Venture Capital Investments - Contract Sample on CD-Rom That Can be Customized to Fit Your Needs

Ready to Use: Shareholders Agreement for Venture Capital Investments is the definitive resource for understanding, drafting and negotiating deals. The CD-Rom features a sample shareholders agreement in a Microsoft Word document that can be customized to fit your needs. Written by top corporate lawyers and fine tuned by leading venture capitalists, the contract is the industry standard used in venture capital. The document features line by line wording on the following topics: transfer of shares; procedure for disposition of shares; prohibition against transfer to competitors; prohibition against pledge of stock; bring-along rights; legend; termination; notice provisions; amendment & waiver; governing law; jurisdiction & venue; binding on successors; and the entire agreement. Within these documents lies a wealth of critical information which every VC, entrepreneur and anyone involved in venture capital deals should have at their fingertips.
