

The Art of Napkin Folding

This book offers a diverse collection of 35 easy-to-do napkin designs, from classic favorites such as the Swan, to new creations such as Fanci Frills or the Happi Coat. Many of the designs will serve double duty: the Lazy Susan contains little compartments for serving nuts and snacks and the Roll Wrap keeps bread rolls warm from the oven. Following the carefully crafted step-by-step instructions, readers will discover how easily and effortlessly they can make memorable table decorations. Included with the book is a practice napkin made from fine Indian cotton that has instructions printed on it.
