

Henry and June: From A Journal of Love -The Unexpurgated Diary of Anais Nin (1931-1932)

This bestseller covers a single momentous year during Nins life in Paris, when she met Henry Miller and his wife, June. Closer to what many sexually adventuresome women experience than almost anything Ive ever read....I found it a very erotic book and profoundly liberating (Alice Walker). The source of a major motion picture from Universal. Preface by Rupert Pole; Index.
