

Annie and the Wild Animals

A lively tale sure to be loved by fans of The Mitten Originally published in 1985, Annie and the Wild Animals is back in a large hardcover format with a striking new jacket that makes this new edition the perfect gift for young readers. Annie's cat, Taffy, disappears and she is lonely. She looks for a friendly, furry pet near the woods, but a giant moose, a grumpy bear and others show up to eat her corn cakes until they are all gone. They leave, and to Annie's surprise, out of the woods comes Taffy with her three new kittens.
