

## Aphrodite the Beauty (Goddess Girls Book 3)

Well-researched and true to the original myths, each volume in the Goddess Girls series addresses contemporary issues like friendships and relationships from a classically accurate and entertaining perspective. In *Aphrodite the Beauty*, Aphrodite, goddess girl of love, must deal with jealousy after giving Athena a makeover. It doesn't seem fair that the godboys pay more attention to her friend when Aphrodite is supposed to be destined for love! She also copes with a crush from an unlikely source: the nerdy Hephaestus (god of the smith) and learns that love comes in many forms.
