

Easy Gardens Volume 16 - Wildflower Meadow Plus Wildlife & Eco-Friendly Gardens (Easy Gardens A to Z)

You can have fun and feel pride in your gorgeous sunny or shady garden. It requires little or no maintenance to look beautiful year around if you follow the simple directions in Easy Gardens Volume 16 Wildflower Meadow Plus Wildlife and Eco-Friendly Gardens.? For 20 years I lived in Philadelphia and enjoyed my peaceful retreat which bloomed 12 months a year. The butterflies and birds will flock to your environmentally friendly garden, too, if you follow the easy steps in these 224 pages. You, too, can do this. It seems almost unbelievable, but in one year you can have fun and watch your easy garden grow. **SELECT A QUICK AND EASY GARDEN STYLE** to match your needs. Decide what you want to do in your garden, look at the physical layout and shape of your garden, choose the color and texture of your flowers, bulbs, bushes and trees by following the easy steps. **PREPARE THE SOIL** or use the container or raised bed designs which do not require digging. **SELECT THE PLANTS** by growing season so that you can have flowers every month with little work. Each year they will grow, bloom and die back on their own. Do the work one year and reap the harvest for many years to come. **PLANT YOUR PLANTS AND BULBS** so that few weeds can grow, water them the easy way and enjoy your slice of Heaven. Learn about selecting, planting and enjoying **TREES AND BUSHES** as they become beautiful every year with their blossoms, fruit, colorful leaves and berries. You can also select evergreen trees and shrubs so that you have a wide range of colors, shapes and designs in your garden year around. Valuable information is also included on compost, fertilizer, mulch, weeds, disease and where you can find bargains and **FREE PLANTS**. Enjoy Easy Gardens Volume 16? so that you can have a wildflower meadow, wildlife gardens or eco-friendly gardens (or all 3!) by

following the simple steps. You can also purchase the complete book, Easy Gardens A to Z, at www.amazon.com. Easy Gardens A to Z includes all the information from the smaller volumes PLUS MORE! The original Easy Gardens A to Z is a compilation of all I have read and learned firsthand over the years. It is written in a format both beginning and experienced gardeners will find easy to follow, using common names for plants. It requires little or no maintenance for your garden to look beautiful year around if you follow the directions in Easy Gardens A to Z the only book you need to purchase.
