

Attack of the Killer Video Book: Tips and Tricks for Young Directors

A fun and funny guide to making great videos. Anyone can make a video (weve all seen other peoples home movies, ugh!). But can anyone make great videos? Of course! Say hello to Attack of the Killer Video Book. Hilarious yet instructive text provides kids with a thorough overview of all the tricks of the movie-making trade. From coming up with great ideas, to organizing a video shoot, to finally piecing it all together, Attack of the Killer Video Book walks readers through every stage of video production. Camera-less activities like scriptwriting and storyboarding will help bring ideas to life. Simple suggestions on camerawork will turn technophobes into sharp-shooters. There are even hot tips for safe special effects and handy hints for the big premiere. Meanwhile, hip and helpful illustrations will keep everything cool and clear. All this makes Attack of the Killer Video Book as sensible as it is sidesplitting, and kids who use it are all but guaranteed fame! Okay, they may not have fame, but theyll sure have fun (and learn something too). Chapters include: The Story The Technology The Special Effects The Big Show The Final Touches
