

Battle Cry 2: Shadow of the Sword

Fate dealt a heavy blow to Kai-Ling before she was even born. The death of her father, a man she never knew, haunted her every day as she grew up. Struck down in the prime of his life, Kai-Ling's father was never able to know his daughter. He was never able to watch her grow up or give her the love only a father could. Now that the first part of her journey is behind her, Kai-Ling is ready to face her destiny. Using the skills, training and knowledge she has acquired, she is prepared to enact vengeance upon those who took him from her. How Kai-Ling handles the new challenges and pitfalls on her way to seeking revenge is a testament to everything she has learned.
