

# Skills and Techniques for the New Nursing Assistant Textbook 8th Edition

The Eighth Edition of Medcoms The New Nursing Assistant Textbook has been revised and updated with the most current information, yet maintains the familiarity and ease of use appreciated by both nursing assistant instructors and nursing assistant students. Throughout the book, revisions have been made to update statistics, measurements, practice techniques, regulations, professional guidelines, terminology, and new technologies, such as advances in computers and internet use. This new information continues to be presented in a clear and concise style, using simple language that is easy for students at all levels to comprehend.
