

Better Homes and Gardens 150+ Quick and Easy Furniture Projects: Clever Makeovers in a Weekend or Less (Better Homes and Gardens Do It Yourself)

More than 150 fresh ideas for creating exciting new pieces in a weekend or less. Featuring more than 150 innovative furniture flips and projects, this is a must-have guide for those looking to save money, live greener, and create unique pieces that showcase individual style. All of the stunning projects can be made in no more than a weekend and with standard tools and skills, so projects are accessible for everyone. Because chapters are organized by room, readers can easily find perfect projects and ideas for every area of the house. Even reluctant DIYers will be inspired by the transformation of a tired 1970s highboy dresser into a functional bathroom unit, an old entertainment armoire into a central kitchen organizer, and a trio of mismatched chairs into a unique bench. A helpful reference section provides information on sources and tools.
