

Noah's Ark Coloring Book (Dover Classic Stories Coloring Book)

Noah's Ark is ready to sail again, and so are its many passengers! Youngsters can help them get under way with these entertaining and easy-to-color pictures. They'll recreate an image of the legendary ark, learn why it was built, and discover who its inhabitants were. Clearly rendered scenes depict Noah and his family preparing for the voyage, as well as the parade of elephants, penguins, kangaroos, armadillos, camels, cats, spiders, pigs, owls, and other creatures boarding the ship two by two to ride out the storm until the floodwaters retreat.
