

Flames and Water (Zane Halloway Book 4)

Zane Halloway is hired to find the pirate he killed twelve years ago. Two years have passed since the events of LIGHTNING AND THRONES. Zane Halloway has grown used to operating alone, and hes even toying with the idea of retirement. One night Amber Longstrain informs him her husband, the famed pirate Zane made his reputation by assassinating, may still be alive. For Lily, the past two years have been spent honing new skills and growing comfortable in the upper crust of society. After a run in with a bandit, she uncovers some interesting information and sets out to stop the Longstrain widows from completing their most daring crime yet. Zane and Lily soon find themselves on opposite sides of a pirate war. Theyll soon learn that everything is a game for the Longstrains. Even revenge. FLAMES AND WATER is the fourth Zane Halloway novella. It continues the tale of magic, mystery, and assassins that started in THORNS AND TANGLES.
