

# Born to Be Awkward: Celebrating Those Imperfect Moments of Babyhood

From the folks who brought us the bestselling Awkward Family Photos series comes a tribute to those awkward early years of life. Our first few years are the most photographed time of our lives. Our parents document every milestone and then feel compelled to share these photos with the world. The only problem is, we haven't developed our motor skills and can't control our faces, or any other parts of our body for that matter. This, of course, leads to some of the most hilarious and unexpected family pictures. From our first post-delivery scowl, to our first throw-up, and yes, even to our first bikini--Born to Be Awkward is a celebration of what is literally the most uncomfortable stage of life.
