

Bosley Sees the World: A Dual Language Book in German and English (The Adventures of Bosley Bear)

Follow Bosley Bear as he discovers how big the world is and how much there is to explore and learn. Bosley is a confident and curious little bear who looks for new challenges around every corner. This is a dual language book in German and English and is designed to help teach your child new words and phrases. The teaching methods used in this book allow children to learn at their own pace and enjoy the learning process. These methods include: Repeat words Simple phrases Opposites Highlighted vocab words Contextual learning Corresponding imagery For children, learning a new language in the context of a story is such a powerful learning tool, because they can use the images, characters and plot to help them remember words and phrases. Even simple foreign words and phrases can give a child a completely new perspective and open their eyes to new ways of seeing the world.
