

25 Quick & Easy Smoothie Recipes

Smoothies are a fast, simple, and delightfully delicious way to pack an entire meal into a beverage. Smoothies from a grocery or convenience store, however, lack the wonderful flavors and benefits of fresh ingredients, and buying them from juice stands and health bars is expensive and inconvenient. Bring fresh, healthful smoothies into your culinary repertoire. Packed full of nutritious fruit, occasionally sprinkled with healthful granola and cereal grains, and sometimes even including a sneaky serving of veggies, smoothies are a treat at any mealbreakfast through dessert!
