

## Firefighters Busy Day

Firefighters are busy! They have many tasks to do each day including washing, waxing, shining the truck, cleaning the gear, getting rid of the muck. In Firefighters Busy Day, children can see the jobs firefighters do before, during, and after a fire call. Through the use of movement written into the text, they can even help firefighters get their jobs done. Young children can pretend to be busy firefighters, too, by trying some of the exciting fire safety activities included such as a fire truck parade or a firefighter-themed meal. These activities are sure to turn everyday learning into firefighter fun. Grab your gear, jump on the truck, and ride along with firefighters helping in the community!
