

But I Wanted a Pony!: An Anne Taintor Motherhood Collection

This new collection of vintage-with-a-twist work by Anne Taintor offers up a fresh serving of Annes signature hilarious commentary on the joys, challenges, and cocktail hours of motherhood. From the fundamentals (WOW! I get to give birth AND change diapers!) to putting food on the table (you see them as pies ... I see them as cries for help) to dealing with childhood questions (because Im the mother ... thats why) and strategies for taking the edge off (now be a dear and fetch mommy her flask), Taintor expertly captures the funny, frantic, and honest thoughts that most moms have experienced, with an attitude mothers everywhere will welcome.
