

## Tales of a Gambling Grandma

The grandma of this story is different. Not many grandmas teach their granddaughters how to play poker, or take train rides across the country, bathing in fresh orange juice. But this grandma is also not so different. Together grandma and granddaughter go to the movies, drink tea at a Chinese food restaurant, and see a vaudeville show that stars a beer-drinking hippo. Everyday they have lunch together, and grandma tells the story of her life. This is an off-beat, heartwarming tale narrated by a little girl whose grandmother is her best friend.
