

At Home With Carolyn Roehm

Former fashion designer Carolyn Roehm is renowned for combining a keen appreciation of beauty with practical know-how. Now, with this gorgeously illustrated guide, readers can go behind the scenes of her memorable parties, learn her entertaining secrets, and visit the glamorous homes where she has dazzled her prominent guests. Imparting fresh ideas and inspiration for knockout events on any budget, *At Home with Carolyn Roehm* follows the calendar seasons to provide year-round suggestions for place settings, floral arrangements, and menus. Emphasizing creativity and natural elements, Carolyn Roehm's tips are not exclusively geared toward elegant functions: Picnics, cozy fireside meals for two, afternoon teas, and formal dinner parties are treated with equal verve. Drawing on ingredients and imagery appropriate for spring, summer, winter, and fall and all the major holidays, this handsome collection yields a trove of simple but sophisticated recipes along with perfect tabletop and decorative accents to accompany them. Biscuit sandwiches of Mustard-Glazed and Smoked Cheddar; Shrimp and White Bean Salad; Zucchini and Watercress Soup; and Fudgy Rum Chocolate Cake are just a few of the delicious and easy-to-prepare dishes. For successful festive occasions that friends and family will remember for years, from a grand New Years Eve gala to a spring brunch with a floral theme, *At Home with Carolyn Roehm* is itself a glorious cause for celebration.
