

Transportation - My Little Sound Book (My Little Sound Books)

What sound does this means of transport make? Children will have fun pressing the buttons in this noisy book and finding out! The book introduces some great first facts about five favorite transportstrain, boat, car, airplane, and bicycle and there are bright, colorful photographs of each one to look at too. A great noisy early learning board book!Christophe Boncens started his career as a graphic designer. Ten years ago, he decided that what he wanted to do was to create stories for children both as an author and an illustrator.
