

Cats

This beautiful and informative volume, full of stunning photographs and whimsical illustrations, lets young readers explore every facet of their favorite feline pets. Each image transports readers into a different aspect of a cats cozy, comfortable world--be it sleeping in the afternoon shade, stalking a fishing boat on a sun-drenched pier, roughhousing with its littermates, or looking after its young. The instructive text explores cats curiosity, playfulness, courage, acrobatic abilities, and much more. The heartwarming and often humorous photographs instantly transport readers into a world where cats truly are mans other best friend.
