

Best of Favorite Recipes from Quilters: Pies

One in a six-volume set of little cookbooks—each one a treasured collection of recipes from the best-selling cookbook, Favorite Recipes from Quilters. Each book in the series presents a particular category of food. The six books are: Breads, Soups, Salads, Main Dishes (Pasta, Vegetables, and Meats), Pies, and Desserts. Each book offers 24-36 recipes—all proven favorites from the original collection. Each volume also includes several stories from the lives and experiences of quilters. The charming design of these books makes them an irresistible impulse item. Their colorful dustjackets and readable spines make them equally eye-catching on a bookshelf or beside a cash register. Each volume contains warm and strikingly rich watercolors throughout its pages. Each painting was created exclusively for this series. These books have about them the special vibrancy that comes from cooking and quilting. All who own them will share in that!
