

Blood and Snow 4: The Cindy Chronicles

Genre: YA Reimagined Fairy Tale Blood and Snow Book 4.1 ~ 4.6 The Cindy Chronicles SUMMARY: Possessing magic sucks. What doesn't suck? Fashion, Cindy's boyfriend Gabe, and her best friend, Snow White. Cindy (Cinderella...shhh, don't tell) was born a witch. It's part of who she is. But there's more to her than that. She loves deeply. And has a big heart. She'd do anything for those she cares about, including risk her own life to save theirs. When her fairy godmother demands she leave Salem, Massachusetts and return to the land she was born to rule, she has two options. Tell her fairy godmother no, and seal a death sentence on complete strangers. Or, leave all she's ever known behind, including the love of her life, for an unknown land she's fated to save. So, yeah, life sucks. But Cindy is determined to change that. The Cindy Chronicles: Witch Magic 4.1 Witch Land 4.2 Witch Time 4.3 Witch Kiss 4.4 Witch Love 4.5 Witch End 4.6
