

Clutches of Madness: The Real Faces of Serial Killers

Serial Killers are usually charming, manipulative and invisible in the crowd. They're standing in the spotlight of media and fascinating everyone. But what's really hiding behind the phenomenon of a serial killer? In this book, we'll dive into the minds of serial killers and reveal their real faces. Without any pointless roundabouts, we'll discover psychological traits and investigative aspects of serial homicide and learn what turns an ordinary person into a dark-minded killer.
