

## Full Moon Rising: A Monster Squad Novel 2

The Monster Squad - Their mission: to keep the civilian populace safe from the monsters that go bump in the night and hide all evidence of their existence. As the squad has begun to rebuild from a crippling blow, they face not only the monsters of the dark but now some begin to question the loyalty of members within their elite group. Will they fight as one cohesive unit, or be torn apart by internal strife? As the squad deals with their own turmoil, a dark storm brews that threatens not just the hunters, but the lives of every human on Earth.
