

Greener Living Today: Forty Ways to a Green Lifestyle

Greener Living Today: Forty Ways to A Greener Lifestyle, offers practical tips about moving your life into greener pastures. Take a walk through specific areas of your home with an environmentally friendly eye and discover better options for choosing cleaning products and appliances. Find lists of toxin-free health and beauty items. Discover creative ideas with which to conserve energy, water resources and more.

Consider green pet care products, environmentally sound lawn and yard care, laundry tips, organic clothing sources and better food choices to move your entire family into greener living. Outside the home, Greener Living Today offers advice on getting around the world and your workplace in eco-friendly ways. From hybrid automobiles and alternative fuels, to general and office recycling options, eco-tourism, carbon credits and even green funerals, this resource has alternatives for safely reducing your human footprint. You can make simple, powerful choices from the beginning of life to its end, with every step along the way caring for your family and the earth.
