

Greek Myths, Western Style

When she was a young girl, Barbara McBride-Smith was introduced to the ancient Greek myths but she didn't quite hear right. When her teacher told her they lived in the cradle of western civilization, young Barbara thought she said Western civilization - as in central Texas, around about Waco, where they seemed to fit right in. Ol Man Zeus, after all, was a gun-totin' Big Daddy, sort of the J.R. Ewing of Mount Olympus. You know Aphrodite, the school basketball queen or Pandora the debutante, the best guitar picker around was Orpheus - Tom T. and wasn't Medusa the one who started the fashion trend known as Big Hair? With her incurable Texas drawl, feminist sympathies, and cheerleaders do-right attitude, master storyteller Barbara McBride-Smith spins the Greek myths as you've never heard them before.
