

Confessions of the Worlds Best Father

A hilarious pictorial parody of a clueless father and his adorable daughter. In an attempt to create an image that his new daughter would one day appreciate, Dave Engledow took a photo in which he was cradling eight-week-old Alice Bee like a football and doctored it to look like he was squirting breast milk into a Worlds Best Father mug. Friends and family clamored for more. After Dave's humorous attempts to capture the sleep-deprived obliviousness of being a first-time dad went viral, he and Alice Bee found themselves bona fide Internet and television celebrities. Merging a Norman Rockwell aesthetic with a darkly comic sensibility, Dave pairs each side-splittingly funny image with a log entry describing the awkward situation that the Worlds Best Father has found himself in. Readers of *Sh*t My Dad Says* and *Awkward Family Photos* will devour the artful and hilarious *Confessions of the Worlds Best Father*.
