

## Cop Without a Badge: The Extraordinary Undercover Life of Kevin Maher

Whats the difference between a cop and Kevin Maher? Kevin doesnt have a badge. And he doesnt play by the rules. Cop Without A Badge tracks confidential informant Kevin Maher as he helps the NYPD, the FBI, and many other law enforcement agencies solve cases that range from robbery to extortion to homicide. In the process, Kevin becomes the highest paid CI the DEA ever had. But Kevins motives are more complicated than simply money. Having been arrested for Grand Theft Auto at the age of sixteen, his felony conviction prevents him from being what he always wanted to be: a police officer. So now hes out to prove to himself he truly is what he couldve been. A cop. Even without a badge. Kevin Maher was 39 years old and living in New Jersey in 1996 when Cop Without A Badge was first published. Maher now works as a private investigator in the state of California.
