

## Jokes and More about Snakes (Just Kidding!)

Some snakes have a deadly, poisonous bite, while others squeeze the life out of their prey. Many people are afraid of slithering serpents but that doesn't mean jokes about them can't be hisser-tical! Readers will love learning cool facts about snakes, including their ability to hold back venom if they don't intend to kill the person or animal they're biting. Colorful photographs and illustrations enhance this interesting science information as python puns, fang funnies, and diamondback delights cause readers to giggle from head to rattle!
