

Emergency & Critical Care Pocket Guide, ACLS Version

The most popular pocket reference in emergency nursing now contains the 2010 AHA updates. The Emergency & Critical Care Pocket Guide has been an essential resource for physicians, paramedics, and nurses for over a decade. The Pocket Guide consolidates the critical information found in desk references into a convenient 3x5 pocket-size format that is handy enough to take with you anywhere. The newly updated Seventh Edition features the 2010 AHA Algorithms, updated poisons, emergency medications, and common drugs sections, as well as updated pediatric medications, a revised Spanish section, clear ECG rhythm images, and straightforward medical emergency treatments. Additional topics covered include Hemodynamic Values/Outcomes, an IV compatibility chart and Stroke Management.
