

Globaloonies 5: Joey and Thomas Jefferson

Some guys will go to any lengths to impress a girl, and 11-year-old Joey Papagopolis is no exception especially if the girl is his new (and very cute) student-teacher from Japan. Just how far does Joey go to impress her? Would you believe about two hundred years back in time? Thats right! Thanks to Joeys amazing Big Red Button, time and space travel can and does happen at the most unexpected moments. This particular adventure takes Joey and his pet chameleon, Larry, to Monticello, the Virginia home of President Thomas Jefferson! Will Joey get extra credit for being able to describe the taste of the presidents homemade vanilla ice cream recipe, or will Joey get detention for leaving squished worms on the classroom floor? And will Larry get the only presidential seal of approval ever given to a chameleon? You can find the answers to these questions and more in the hilarious and highly educational JOEY AND THOMAS JEFFERSON. Genre: childrens historical adventure, ages 6-11
