

The Last Dragonslayer (The Chronicles of Kazam)

In the good old days, magic was indispensable; it could both save a kingdom and clear a clogged drain. But now magic is fading. Drain cleaner is cheaper than a spell, and magic carpets have been reduced to pizza delivery. Fifteen-year-old foundling Jennifer Strange runs Kazam Mystical Arts Management, an employment agency for magicians ? but its hard to stay in business when magic is drying up. And then the visions start, predicting the death of the worlds last dragon at the hands of an unnamed Dragonslayer. If thats true, everything will change for Kazam ? and for Jennifer. Because something is coming. Something known as ... Big Magic.
