

Cool Philosophy: Filled with Fantastic Facts for Kids of All Ages

Fifty fun, simple, and entertaining ways to improve your understanding of philosophy for kids of all ages. Inside this philosophy-stuffed book are 50 fact-tastic ways to advance your thinking skills, so you'll never be scratching your head in bemusement ever again. Featuring the key philosophic principles of every philosopher you've heard of (and some you haven't), from prominent ancient Greek thinkers such as Aristotle and Socrates to modern-day thinkers such as Bertrand Russell and Thomas Kuhn, this book is stuffed to the gills with amazing facts, tricks, and stats to help you discover everything you need to know about what philosophy is, in a way you'll never forget. Packed with colorful illustrations and handy diagrams, it will enable readers to learn (and understand!) the key principles and concepts from the world's greatest thinkers and minds, as well as amazing techniques to make one's brain work smarter.
