

## David Rosengarten Entertains: Fabulous Parties for Food Lovers

As an award-winning Food Network television host, cookbook author, cooking teacher, and food and wine writer, David Rosengarten clearly knows a thing or two about food and drink—not to mention putting on a great show. Now he brings all three together in an imaginative collection of dinner parties that can transform even a casual get-together into a memorable occasion. Each party features a complete menu of delicious-yet-doable recipes that are centered around a specific food or ethnic theme—a Texas BBQ, Cassoulet (Show up chez-moi for beans and wienies!), or a Tapas Time night featuring Spanish Ham and Chorizos. Planning and presentation ideas show how to make a gathering truly special, from table-setting tips to music suggestions and more. Top photographer Quentin Bacon captures the food and the celebratory mood with style and dramatic flair. Throughout the book, Rosengarten is the perfect host, with a style that is as bold, lively, and entertaining as the parties themselves.
