

World Time of Albert Einstein (World in the Time Of...(Chelsea House))

This series tells the story of eight historical personalities and looks at what was happening all around the world in their lifetimes. Each book includes a time line, to give the reader an outline of world events during each historical characters life, and a map, which shows some of the most important places mentioned in each book. Possibly the most intelligent man of our time, little is known about his personal life. Learn more about the real Einstein in this book.
