

Seven Tears into the Sea

Beckon the sea, Ill come to thee.... Shed seven tears, perchance seven years.... At the age of ten, Gwen Cooke had a strange encounter with a boy with dark, slightly tilted eyes. He came to her on the beach, whispered strange words in her ear, and then disappeared. Shortly thereafter, her family moved away from their seaside home and Gwen never saw the boy again. Now seventeen, Gwen is returning to her childhood home. Her nana asked her to come. But Gwen knows its time to go back for another reason: She yearns for the sea. Perhaps the sea itself is calling to her. Perhaps the memory of the boy and his haunting words are drawing her back to the place they met. Perhaps its time for her to face her destiny.
