

# Diary of a Very Bad Year: Confessions of an Anonymous Hedge Fund Manager

Diary of a Very Bad Year is a rarity: a book on modern finance that is both extraordinarily thoughtful and enormously entertaining. James Surowiecki, author of *The Wisdom of Crowds* A great read... . HFM offers a brilliant financial professional's view of the economic situation in real time, from September 2007, when problems in financial markets began to surface, until late summer 2009. Booklist n+1 is the rightful heir to *Partisan Review* and the *New York Review of Books*. It is rigorous, curious and provocative. Malcolm Gladwell A profoundly candid and captivating account of the economic crisis and subprime mortgage collapse, from an anonymous hedge fund manager, as told to the editors of New York literary magazine n+1.
