

## Lets Make Whoopies!: Meet The New Cupcake On The Block

Lets Make Whoopies with Sophie Gray! This book is set to be the must-have book on these fun little cakes. Thought to have originated in the Amish communities of America (the farmers would open their lunch boxes to cries of Whoopie! when they saw that their wives had included them as treats) they are now setting a trend in cities like New York and London and are set to take over the rest of the UK! Sophies book includes 70 whoopie recipes from classics like a mini Victoria sponge, to a whole range of chocolate and fruit-based whoopies and sections on celebration and wacky whoopies too. Perfect for birthday parties and get-togethers - your guests will fall in love with whoopies! Complete with all the fillings and frostings you need to make these adorable cakes, Sophie Gray has also included 30 delicious cupcakes in Lets Make Whoopies, including her award-winning lemon drizzle cupcake. One million per cent delicious. Sophies whoopies have the X-factor! Simon Cowell Sophie instils pure passion into everything she produces. She is a real domestic goddess! Richard Bertinet, French master baker Sophie Gray began cooking at school for 6th form parties, and at university she went on to prepare fabulous dinners for parties of twenty or more guests. After graduating, she conceived the idea for Model Catering, using her model friends to serve the food at events for the film, music and property industries. In 2009 she also set up the Crazy Baker bakery, which delivers to London restaurants and cafes. Sophie lives in London.
