

Stranded in the Seychelles: teachers in paradise (a Bev and Carol adventure Book 3)

STRANDED IN THE SEYCHELLES has all the irreverence and joie de vivre of ONE SUMMER IN FRANCE and BUNNY ON A BIKE, but there's a maturity in this one that adds poignancy and richness. Top Amazon reviewer This novel is a must for the intrepid armchair traveller. Amazon reviewer Bev and Carol are back and looking for a new adventure! This time, they fly off to the Seychelles to teach English. They are provided with a beautiful house on Mahe and commute to work on the tiny island of Ste. Anne in a World War II landing craft. Fuelled by fish, rice and South African rum, Bev and Carol tour the islands on an ancient motorbike in their free time, discovering paradise and what lies beyond. There are giant spiders, heart-stopping bus rides and a tangled expat community, against a volatile political backdrop. Lush, sunny and colourful, the Seychelles is the perfect setting for two girls on the lookout for inspiration and fresh experiences, so why not join them? See the sights, find out about life in the Indian Ocean, and enjoy the madness. Put your feet up, download a free sample, and dive into Bev and Carols chaotic world, where common sense and logic are often at odds. You'll see what makes them tick and have a lot of laughs along the way. Stranded in the Seychelles? Could it be this much fun? There are three Bev and Carol adventures, which are all stand-alone books. For those who would like to know the order, here it is: One Summer in France, Bunny on a Bike and Stranded in the Seychelles.
