

The Hatter is Mad: An Urban Fantasy Novel (The Lillim Callina Chronicles Book 2)

An immortal swordsman. A shattered god. A dying hero. Why did a billion year old god have to go and kidnap Lillim Callina's best friend right when she was just starting to get her life back together after Caleb Im-a-huge-jerk Oznek left her without so much as a pity glance? He must have known she needed to vent her frustrations on someone's face. Armed with her trusty swords, Isis and Set, Lillim is going to track him down, even if she has to fight her way through an entire orcish horde, relive the worst moment of her life, and talk to her mother. The only problem is, to stop him, she may have to forgive Caleb too. The Hatter is Mad is the second book in The Lillim Callina Chronicles, an urban fantasy series. Readers who enjoyed Jim Butcher's The Dresden Files, Patricia Briggs' Mercy Thompson series, or Kevin Hearnes' The Iron Druid Chronicles will likely enjoy this paranormal adventure. *Prequel 1: Wardbreaker (ASIN: B015XBES6M) is on sale for only \$2.99! **Book 1: Kill It With Magic (ASIN: B00NLZMRO8) is on sale for only \$2.99! **Book 3: Fairy Tale (ASIN: B00S6W8F0G) is on sale for only \$3.99! *Interview with the Author Q - So, what makes the Lillim Callina Chronicles series special? A - The urban fantasy series is my take on the genre after a decade playing pen and paper RPGs. At its core you'll find a story about a young girl who must come to terms with not only her powers, but every kind of monster imaginable from vampires and werewolves to psychotic demons. I was once told this paranormal action adventure thriller was an over-the-top, insanely fast-paced, urban fantasy tale with EXTREME ACTION where you never quite know who is going to do what. The Lillim Callina Chronicles books are a great mix of genres, set in a slightly dystopian fantasy world full of supernatural factions that keep things interesting. Q - Do I have to read these

books in order? A - Not necessarily. While I recommend readers start with Alone in the Dark, Wardbreaker, or Kill it with Magic, the series is designed in such a way that a reader could start with Hardboiled if they so choose. I have also been told that some readers actually prefer to start with The Hatter is Mad, although I'm not quite sure if that works. The sequence of novels is:- Alone in the Dark (short prequel)- Wardbreaker - Kill it with Magic - The Hatter is Mad- Fairy Tale - Pursuit-Hardboiled - Mind Games - So, why should readers give these books a try? A - Because the Lillim Callina Chronicles takes off and never stops charging forward! The books will give the readers a chance to connect with a girl as she struggles to be a hero and do the right thing even when every situation forces her to question herself and her choices. If you enjoy books paced at hypersonic speeds and plots that will surprise you all the way until the last page, you'll enjoy this urban fantasy adventure series. Thanks for reading!
