

Vermonia #6: To the Pillar of Wind

The future of Turtle Realm hangs in the balance as the epic manga series charges forward. In part six of the Vermonia series, the Blue Star Warriors must find a way to infiltrate Uros most fiercely guarded headquarters as they fight to save the Pillar of Wind from destruction. They must use all of their resources, including the warship Vleste, now powered by the magical crystal they found in the Lake of Wishes. As Doug is captured by a band of Uros soldiers, Naomi and Fly are inadvertently transported back to the planet of Blue Star- revealing the mysterious pathways connecting the galaxies while exposing some of Uros weaknesses.
