

Dragon Orb: Firestorm (No. 1)

The first installment in a thrilling series about four dragons and their riders on an epic quest to save the world. Nolita is terrified of dragons! Learning to fly her day dragon would be dangerous enough without irrational fears to contend with and a vicious dragon-hunter on her tail. With Elian, another novice rider, Nolita seeks the first of four Orbs, whose combined power can restore the Oracle. Only Nolita, as a day dragon rider, can claim it. To do so, she must face her worst fears, and face them alone.
