

Drink, Play, F@#k: One Mans Search for Anything Across Ireland, Las Vegas, and Thailand

What is a man to do after the tragic ending of his loving marriage and a nasty divorce? How does he rediscover the essence that makes him a man after years of being forced to attend ballets, eat vegan food, and participate in intimacy seminars? There is only one way: drink, play, f@#k. In Drink, Play, F@#k, Bob Sullivan*, a jilted husband, sets off to explore the world, experience a meaningful connection with the divine, and rediscover his passion. His travels lead him from his home in New York City, on a drinking bender across Ireland, through the glitz and glamour that is Las Vegas, and to the hedonistic pleasure palaces of Thailand. After a lifetime of playing it safe, Mr. Sullivan finally follows his heart and lives out everyones deepest fantasies. For who among us hasnt dreamed of standing stark naked, head upturned and mouth agape beneath a cascading torrent of Guinness Stout? What could be more exhilarating than losing every penny you have because Charlie Weiss went for a meaningless last second field goal? And what sensate creature could ever doubt that the greatest pleasure known to man can be found in a leaky bamboo shack filled with glassy-eyed, bruised Asian hookers? Bob Sullivan has a lot to teach us about life. Lets just pray we have the wisdom to put aside our preconceptions and listen. Because what Bob Sullivan finds isnt at all what he expected. Mr. Sullivans mythic journey is lovingly transcribed by Andrew Gottlieb.* Bob Sullivan is a pseudonym. Drink, Play, F@#k is a work of fiction and is in no way connected to any books currently on numerous best-seller lists.
