

Pandora the Curious (Goddess Girls Book 9)

Is Pandora about to open up a box of trouble? One of the few mortals at Mount Olympus Academy, Pandora is famous for her mega quizzical nature--not that she thinks there's anything wrong with curiosity of course! Her curiosity kicks into high gear when a godboy named Epimetheus brings a mysterious box to school. He's the nephew of an MOA teacher in whose class Pandora once opened another box that sent a few weather disasters down to Earth. Still, Pandora can't help but take a peek inside this new box when it unexpectedly lands in her lap. What could be the harm in that, right? Little does she know that opening the box will open up far more trouble than she ever expected!
